OFFICE OF PETITIONS

Don D. Cha
547 Buena Vista Road
Golden CO 80401

In re Application of :
Christopher Frederickson et al. :
Application No. 10/516,754 : **DECISION ON PETITION**
Filed: February 8, 2006 :
Attorney Docket No. NBT-000200US :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed July 26, 2010, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the non-final Office action mailed October 28, 2009, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on January 29, 2010. A Notice of Abandonment was mailed on May 25, 2010.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment, (2) the petition fee of \$810 and (3) a proper statement of unintentional delay. Accordingly, the amendment is accepted as being unintentionally delayed.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to Kimberly Inabinet at (571) 272-4618.

This application is being referred to Technology Center AU 1618 for appropriate action by the Examiner in the normal course of business on the reply received July 26, 2010.
